

Attn Drivers: All loads must be scaled before and after unloading!

Please weigh in before arriving at the delivery location. Addresses are provided below.

SELLER LOAD & RECEIVABLES SHEET

Important: This form MUST accompany load!

A.

Seller Name:

Pick-up:

Address:

PO #: _____

Order Date: _____

Pickup Date:

Carrier:

Trailer #:

Seal #:

Business Phone:

Home Phone:

Cell/Mobile #:

Ship to: 1418 Cow Palace Rd

620-947-3173

Newton, KS 67114

Scale Location:

Summary of Load: Groupings of drums (**Lots**) of honey must be identified and labeled according to the **PO Row ID** that appear on the PO. This enables BH to correctly label these drums upon receipt at our processing facilities. List the Sample numbers in the left column, and the respective information related to the representative Lots in the columns to the right.

Weights: This form MUST accompany load! If available, provide your summarized weights by Sample # (Lots).

B.

*if drums / totes are not labelled, please note lots on diagram on back

PO Row ID	Crop Year	Lot Markings	# of Drums / Totes	Floral Source	State Source	Gross Weight	Tare Weight	Net Weight
Totals								

C.
