

WAIVER OF STATE AGRICULTURAL LIENS | CA, ID, LA, MN, WA

The undersigned (“**Honey Producer**” or “**I/my**”), with-address of _____,
state of _____ (“**State**”), with full authority and capacity and
without any duress, coercion or undue influence, hereby permanently and voluntarily:

- Acknowledge that I am selling or intend to sell, raw honey and/or other agricultural products to Barkman Honey, LLC and/or its affiliates (“**Barkman**”);
- Acknowledge that under the laws of State, I and/or an entity I control have or may have either an automatic priority lien or a right to perfect a priority lien with respect to the honey I sell even though payment may not yet be due, whether such sale is contemporaneously made with this Waiver or completed after the date of this Waiver (“**Agricultural Lien**”, whether one or more);
- Forever waive, on a continuing basis with respect to sales now or in the future, my rights to file, perfect and/or assert any Agricultural Lien against Barkman, its successors, assigns, lenders, and purchasers of its assets, regardless of the state’s law under which it may arise; placing me behind Barkman’s lender in priority and right to payment with respect to the honey and/or agricultural products subject to this waiver;
- Reserve my right to revoke this waiver prospectively with respect to honey and/or other agricultural products which are sold to Barkman more than 45 days after written notification of revocation is personally delivered to an authorized honey buyer of Barkman or is otherwise received at 120 Santa Fe Street, Hillsboro, KS 67063;
- Reserve any other lien rights which I or Honey Producer’s creditors may have, if any, including but not limited to, any judgment lien which I may obtain arising out of any failure of Barkman to perform in accordance with its contract with Honey Producer;
- Acknowledge that sufficient and adequate consideration is given in exchange for this Release by completing any sale of honey, or other agricultural product to Barkman; and
- Declare and represent that no promise, inducement or agreement has been made to me other than those reflected in this document, that this Release contains the entire agreement on this issue between Honey Producer and Barkman, and that the terms of this Release are contractual and are not a mere recital.

IN WITNESS WHEREOF, and intending to be legally bound, I have executed and delivered this Release on and effective _____, 20____.
